

2027 REAPPRAISAL PHYSICAL INSPECTIONS

Appraisal staff of the Real Property Division will be visiting property in the 2026 year in preparation for the 2027 reappraisal. The appraisers will be reviewing the property details to ensure the data is accurate for the upcoming 2027 reappraisal.

The individuals visiting are full-time county employees. There will be two together driving a white vehicle with the County seal on the front door. Appraisal staff will have badges visible and be wearing a county shirt. If you are not home or are not comfortable answering the door, they will leave a card in the door explaining the visit.
